

GENERAL INFO **TASTE & ODOUR REMOVAL CARTRIDGE**

Multi Purpose Carbon Filter Cartridges

Puretec ML series cartridges are dual purpose carbon cartridges specifically designed to reduce taste, odour, chlorine and some sediment, providing pure, clean great tasting water. Suitable for Rainwater.

FEATURES & BENEFITS

- No carbon fines and superior contaminant capacity.
- High dirt holding tolerance maximises utilization of the carbon block.
- Enhanced dirt holding capacity.
- Flow rates up to 109 litres/minute.

CARTRIDGE SPECIFICATIONS AND PERFORMANCE

Size	Ordering Code	Micron Rating	Size	Description	Flow (Lpm)
10"	ML101-DP	10	Standard 2.5" X 10"	Pleated carbon & sediment	23
20"	ML102-DP	10	Standard 2.5" X 20"	Pleated carbon & sediment	46
10" LD	ML10LD1-DP	10	Large diameter 4.5" X 10"	Pleated carbon & sediment	59
20" LD	ML10LD2-DP	10	Large diameter 4.5" X 20"	Pleated carbon & sediment	109

Micron rating is nominal. Protect from freezing.
